CPSC 2350 - AI Use Disclosure

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

◯ Somewhat confident

◯ Neutral

◯ Somewhat not confident

◯ I did not use AI for this submission

12. How did you ensure the answer you received from the AI tool was correct? (input N/A if you have not used any) *

It's an image generator. The prompt I gave did result in a very accurate picture.

13. Did you at any point abandon using AI tools and seek other resources? Explain your answer. *

What made you abandon using the AI tool? Were you more successful using other resources? Input N/A if you have not used any

I just used it for the four images I generated. I stopped using it after I found the images I wanted.
